## The Bridge to Hope

### Arizona Charitable (formerly "Working Poor") Tax Credit Form

The State of Arizona has a program that helps you, while helping The Bridge to Hope and the families we serve!

It is called the Arizona Charitable Tax Credit. You make a contribution (see limits below) to B2H and receive a credit, for that amount, on your Arizona State Tax Return.

Starting with the 2013 tax year, you do not have to itemize deductions to claim a credit for contributions to a qualifying charitable organization.

As always, please consult your tax professional with any additional questions related to your personal tax situation.
