

## Join Us for Hope on Fire – A Family-Friendly Community Event benefiting The Bridge to Hope

Dear Friends,

We are thrilled to invite you to a brand-new opportunity to shine the light of Christ in our community! On **Saturday, April 25, 2026**, The Bridge to Hope will be hosting **Hope on Fire** at Vista Church (formerly First Southern Baptist Church of Scottsdale). This will be a family-friendly event featuring:

- A fire truck, a foam party for kids and so much more
- A vibrant farmers market with local vendors

Whether you're a **church, community group, or local vendor**, here's how you can be part of this special day:

1. **Run a Fun Activity (Churches & Community Groups)** – Share the love of Christ through face painting, a kids' game, or other engaging activities that bring families joy and connection.
2. **Fundraising Table (Churches & Community Groups)** – Sell crafts, baked goods, or other items, with proceeds benefiting The Bridge to Hope and the single mothers we serve.
3. **Vendors - Do good while doing business!** Join us at *Hope on Fire*—connect with customers, showcase your products, and make a real difference for homeless single mothers. Your \$25 participation fee goes directly to supporting The Bridge to Hope.

This event isn't just about fun—it's about creating a space where families can encounter God's love, learn about the ministry of The Bridge to Hope, and discover how they can walk alongside homeless single mothers as they rebuild their lives.

Would you prayerfully consider partnering with us by hosting a table or activity? We'd love to connect with you and share how your group or business can shine Christ's light at Hope on Fire.

With joy and anticipation,

The Bridge to Hope
